Question #1: In a multiple truck scenario who would make the decision regarding each trucks location and would the locations change? If the location did change what would be the duration of time between rotations?

Answer #1: The NASA Exchange would make the decision. The duration would depend on the number of trucks involved in the rotation, and the needs of the customers at the various locations. The NASA Exchange will work with the Food Trucks to try to optimize the customer's satisfaction.

Question #2: Is there a scenario where multiple trucks would be serving side by side? If so would previous notice be given?

Answer #2: There is no intent for any side by side situations. Only possible scenario would be a special event and the Food Trucks would have prior notice.

Question #3: If a holiday falls on an unscheduled work day would the employer be required to pay holiday wages?

Answer #3: This question would need to be addressed to the Department of Labor.

Question #4: Can the permits, certifications and licenses in Section 1 Management and Operation Plan be included in an attachment or do they need to be included in the 5 page limit for that document?

Answer #4: Yes, they can be an attachment.

Question #5: Regarding Past Performance, if there is a letter of recommendation submitted that does have a correlating Past Performance Form filled out, will the letter of recommendation be recognized by the evaluation team?

Answer #5: Yes.

Question #6: So you already found a truck?

Answer #6: No, we are still looking for Food Trucks. The proposals are due to be submitted by 8/31/2015.

Question #7: I'm not sure I understand? Does this mean that you are looking for food trucks to serve guests or are you looking for private Catering?

Answer#7: The NASA Exchange is looking for Food Trucks to provide service at Stennis Space Center five (5) days a week during the hours of 11:00 am to 1:00 pm. If you would like to provide services beyond those hours, please submit that in your proposals. Generally, we would likely approve reasonable request, such as, breakfast or longer lunch hours.
